<sup>1</sup> Guarantee required only when nutrient added except when the feed is intended, represented or serves as a principal source of the nutrient.

<sup>2</sup> Sodium guarantee required only when total sodium exceeds that furnished by the maximum salt guarantee.

**INGREDIENTS**

Each ingredient must be named in accordance with the names and definitions adopted by the Association of American Feed Control Officials.

**DIRECTIONS FOR USE**

For broiler chickens only.

**CAUTION**

For use in low calcium feeds containing 0.8% calcium.  
Not approved for use with pellet binders.

**WARNING:** Withdraw 24 hours before slaughter. Do not feed to laying chickens producing eggs for human consumption. Not to be fed continuously for more than 5 days.  
May be fatal if accidentally fed to adult turkeys or to horses. When handling or mixing BIO-COX premixes use protective clothing, impervious gloves, eye protection and an approved dust respirator. Operators should wash thoroughly with soap and water after handling medicated feeds and premixes.
